OK. The subsidiaries are those listed in the DFDM we submitted to you earlier.

We will get you the info for the employees. Definitely included are Mathu and Raja Rajan.

Dan – Larry told us about that. It isn't a "first day" pleading, but is on our radar. We'll need a list of all of the subsidiaries and individuals who are critical to Stream's reorganization, their roles/involvement with respect to Stream's reorganization, and the action being taken/threatened by Shad/Seecubic as to each. Thanks.

Anne

Anne and Marty,

Mathu and Larry spoke after our call this AM about the Stream foreign and domestic subsidiaries. Larry suggested that you prepare something called a Form 105(a) filing with the intent of protecting our subsidiaries from takeover by Shad/Seecubic, Inc.. He suggested that you also maybe include Mathu and Raja, and maybe even other employees, in this filing.

If you have questions, I suggest that you speak with Larry on the matter.

Thanks.

Dan
